

BEASISWA MOBILITAS INTERNASIONAL 2026

Call for Applications — Undergraduate and Vocational Schemes

Direktorat Jenderal Pendidikan Tinggi · Cycle 2026/2027 · Document v2.3

1. SUBMISSION DEADLINES

The application portal closes on **14 September 2026 at 23:59 WIB**. Applications received after this time are not reviewed and no extension is granted under any circumstance.

1.1 Exception. Applicants under the **Vocational (D3/D4) scheme** are assessed by a separate panel that convenes earlier. Vocational applicants must submit by **7 September 2026 at 23:59 WIB**. The later date above does not apply to them.

1.2 Referee letters may arrive up to 21 September 2026, after the applicant's own deadline.

2. ELIGIBILITY

Applicants must be actively enrolled, having completed a minimum of 30 credits, and be in semester 4 or 6 at the time of application. A minimum cumulative GPA of 3.00 on a 4.00 scale is required; the Vocational scheme requires 3.25. Applicants must be no older than 24 years on 1 January 2027, must hold a passport valid for at least 18 months, and must not previously have received a government-funded overseas mobility award.

3. WRITTEN COMPONENTS

All components are submitted through the portal as plain text. Formatting is stripped.

#	Component	Limit	Status
A	Statement of Motivation	500 words	Mandatory
B	Contribution Plan	maximum 2 pages (approximately 800 words)	Mandatory
C	Short Biography	750 characters including spaces	Mandatory
D	Leadership Experience	250 words	Optional
E	Statement of Financial Need	no prescribed limit	Mandatory
F	Research Proposal	1,500 words	Withdrawn — see 3.4

ERRATUM (issued 1 August 2026, supersedes the table above). Following panel review, the limit for **Component A, Statement of Motivation**, is **reduced from 500 words to 350 words**. Submissions exceeding 350 words are rejected without review. The table in section 3 has not been reprinted in this revision of the document.

3.4 Component F (Research Proposal) is **withdrawn for the 2026 cycle** and must not be submitted. Portal fields for it have been disabled. It is listed above only so that applicants working from the 2025 guidance do not submit it in error.

3.5 Component B is limited by **page count, not word count**. The parenthetical word figure in the table is indicative only and is not enforced; a submission of 2 pages is compliant regardless of its word count.

4. KOMPONEN TAMBAHAN (WAJIB)

Selain komponen di atas, setiap pelamar wajib melampirkan **Surat Pernyataan Komitmen Kembali ke Indonesia**, ditulis dalam Bahasa Indonesia, **maksimal 300 kata**. Surat ini dinilai terpisah dari Component A sampai E dan tidak dapat digantikan oleh terjemahan.

(Mandatory Additional Component: a Commitment to Return statement, written in Indonesian, maximum 300 words. Assessed separately.)

5. REGISTER AND AUTHORSHIP

All written components must be composed in **formal English in the first person**, except the Surat Pernyataan, which is written in formal Indonesian. Components must be the applicant's own work. The use of a third party to write on the applicant's behalf is grounds for disqualification at any stage, including after an award is made.

6. SUPPORTING DOCUMENTS

Upload separately as PDF, each not exceeding 2 MB: (a) Kartu Tanda Mahasiswa; (b) an official academic transcript covering all completed semesters; (c) one letter of recommendation from the home faculty, on letterhead, signed; (d) a passport biodata page. Scanned documents must be at least 200 dpi. Combined uploads exceeding 10 MB are rejected by the portal.

7. ASSESSMENT

Components are weighted: Motivation 30%, Contribution Plan 30%, Financial Need 20%, Biography 10%, Surat Pernyataan 10%. The optional Leadership Experience component carries no weight and is read only where the panel is otherwise unable to separate two applicants.
